November 12, 2021 is Vaccination Awareness Day

COVID-19 vaccines now available for ages 5 and up!

COVID-19 Vaccines are:

- Safe
- Effective
- Widely available
- Lifesaving

And fully vaccinated students without symptoms won’t have to quarantine if they are exposed to current strains of COVID-19.

Visit vaccines.gov, text your ZIP code to 438829, or call 1-800-232-0233 to find a vaccine near you.
